Excellent Land for Resort in algarve -Vilamoura

Vilamoura Golf & Garden Resort, which is located in Quinta do Morgadinho very close to Vila Sol Golf & Resort in Vilamoura is a large-scale project covering more than 67 hectares, allowing a gross construction area of 114,740 m².

The land consists of 116 lots that will build 700 fires and several green spaces with equipment for collective use.

At the moment, correction works/external arrangements are being developed according to the requirements of the Municipality of Loulé.

It is located near the north entrance of Quarteira, just 5 minutes from Vilamoura, with good accessibility given the proximity of Via do Infante and EN125.

The project is located in an area of great prestige called Golden Triangle - Quinta do Lago, Vale do Lobo and Almancil about 5 minutes from the Marina and Vilamoura beach.
