## Ikea Farm 5.200m2-Faro

Farm with 5.200m2 consisting of 1 villa with 3 bedrooms, 1 villa with 2 bedrooms, 1 apartment with 6 bedrooms, garage and 1 small swimming pool, to remodel.

The main villa has 2 floors, having on the ground floor 3 bedrooms, 1 of them en suite, 2 large rooms, kitchen plus support kitchen with wood and on the 1st floor 1 large living room.

The second villa consists of a homemade house, situated in the same alignment of the main house, has 1 kitchen, 1 bathroom and 2 bedrooms.

At the rear of the main house is 1 apartment with 6 bedrooms and 2 bathrooms, whose construction has not been finished allowing you to choose the finishes according to your personal taste.

There is also a garage and a small swimming pool.
